

NECKTIE

for a child aged 4-7

MATERIALS

- self-fabric: cotton-polyester blend
- lining: light-weight cotton
- 15 cm interfacing

PATTERNS

Trace pattern pieces A, B and C and join them as shown in the illustration.

CUTTING

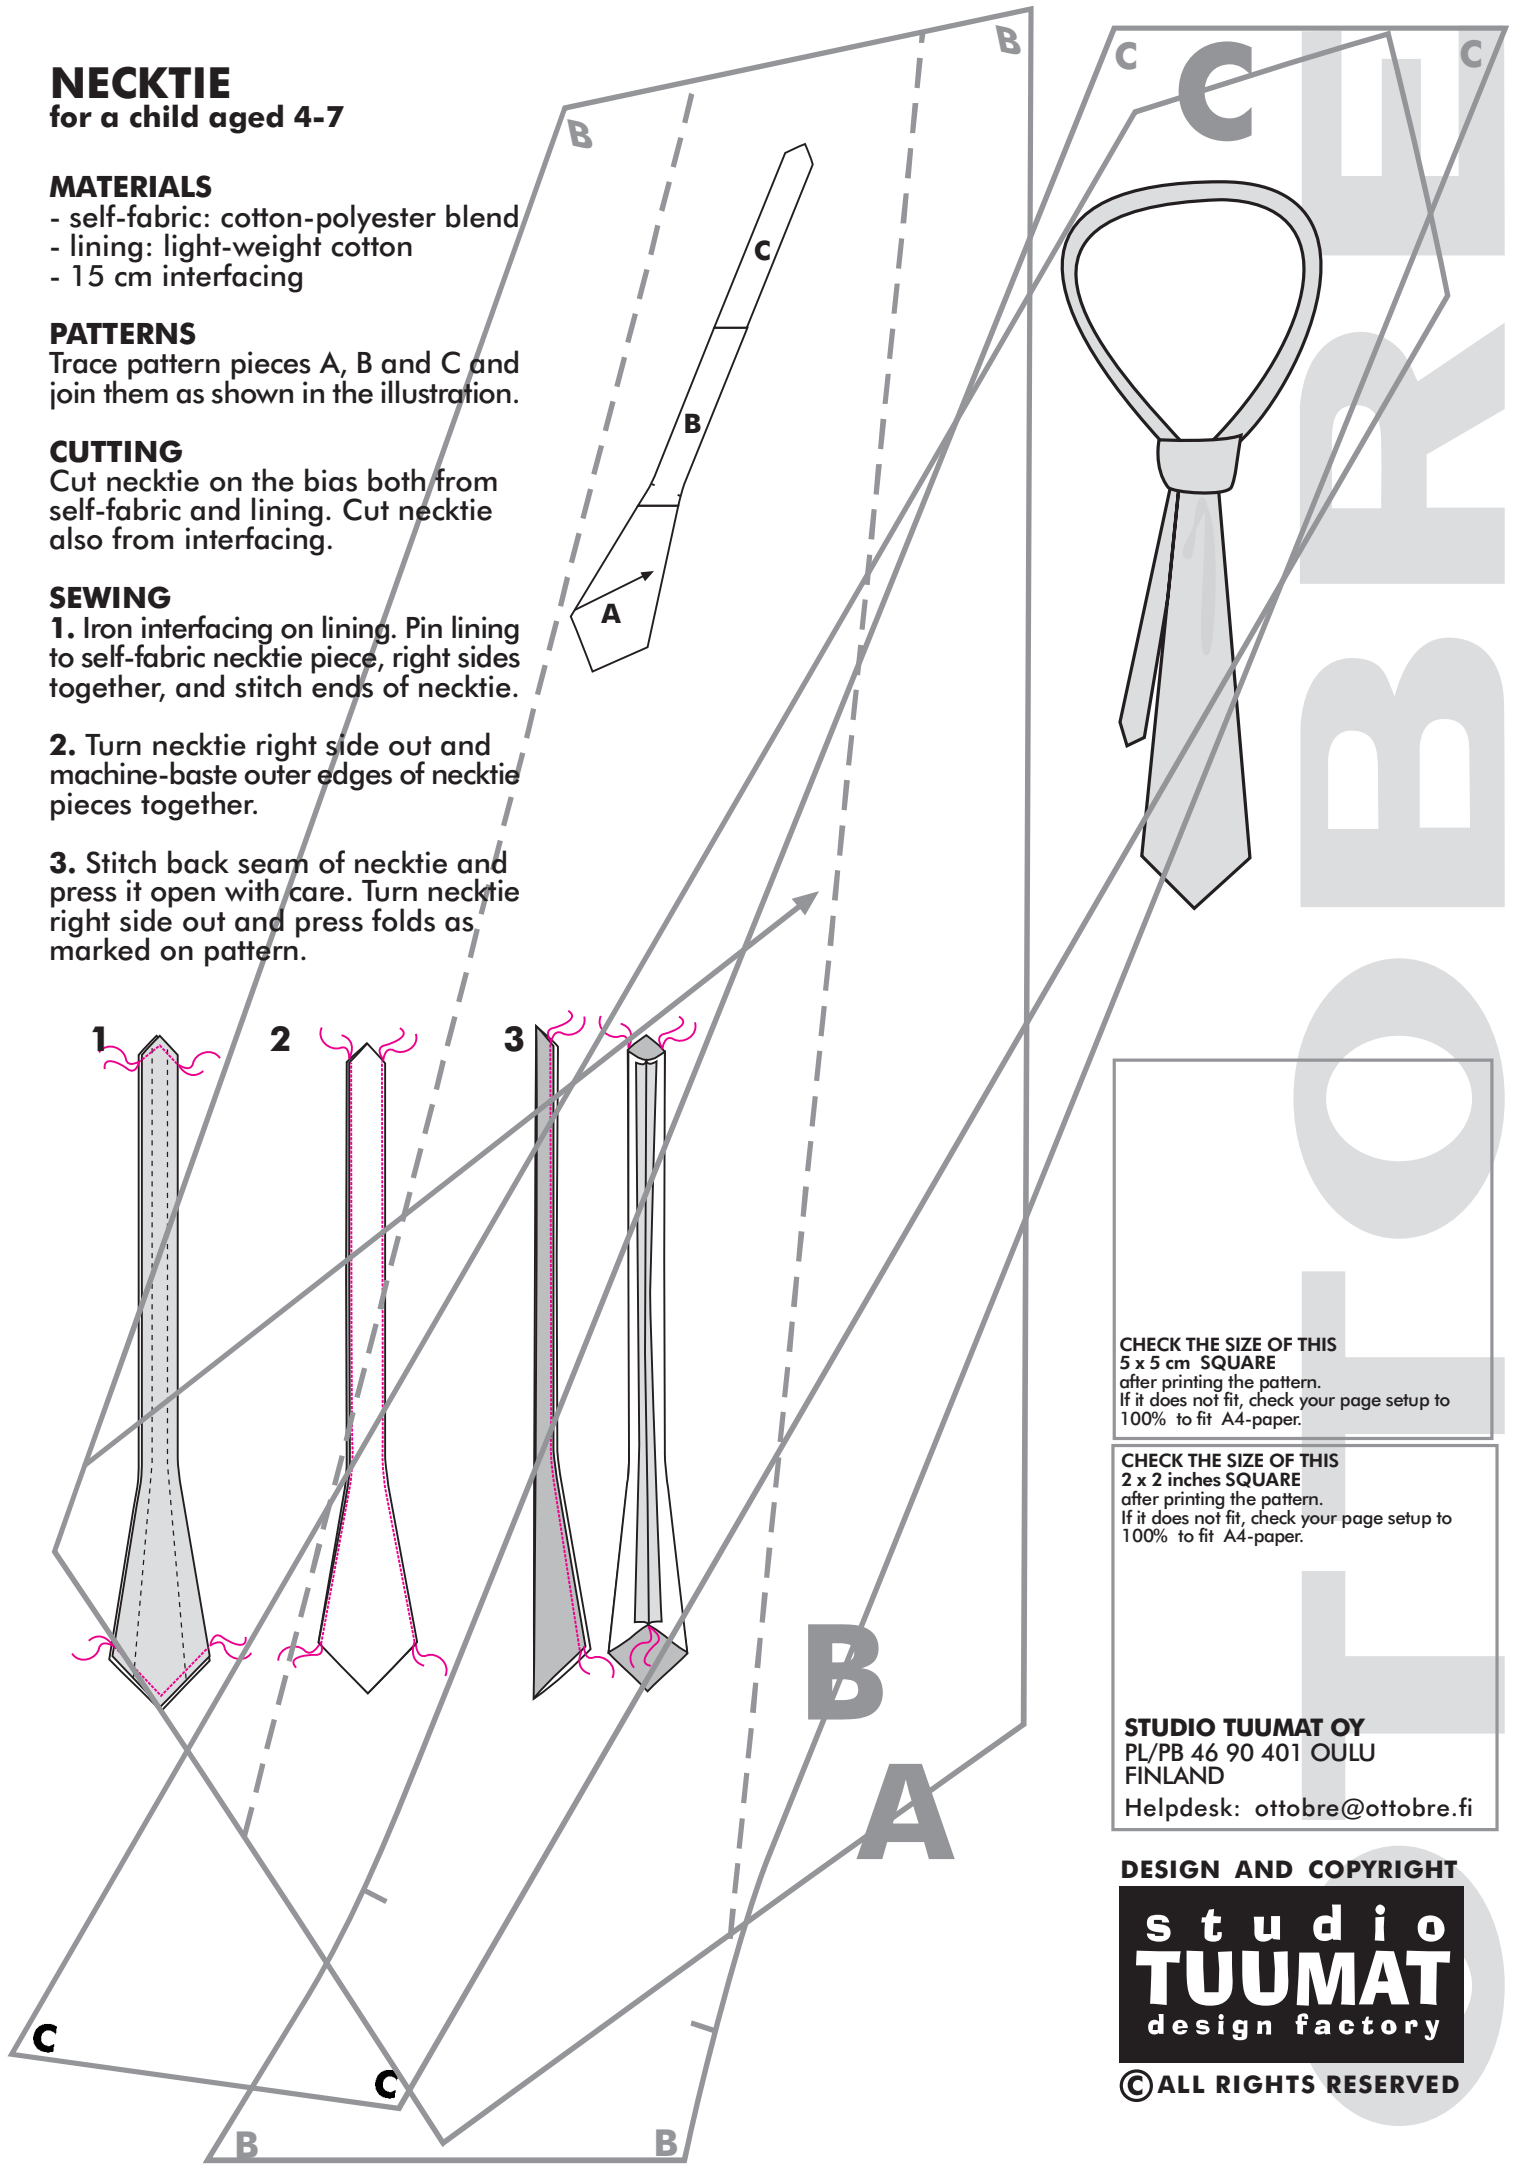

Cut necktie on the bias both from self-fabric and lining. Cut necktie also from interfacing.

SEWING

1. Iron interfacing on lining. Pin lining to self-fabric necktie piece, right sides together, and stitch ends of necktie.

2. Turn necktie right side out and machine-baste outer edges of necktie pieces together.

3. Stitch back seam of necktie and press it open with care. Turn necktie right side out and press folds as marked on pattern.
